

Maison Margiela

PARIS

COMPANY PROFILE

Maison Margiela is a Paris-based fashion house founded in 1988 by Belgian designer Martin Margiela. Celebrating unconventional aesthetics and embracing the philosophy that fashion is an art of expression rather than a cult of personality, Maison Margiela offers haute couture, ready-to-wear for women and men, contemporary line MM6, footwear, interior design, and accessories, including leather goods, fine jewelry and fragrance. In 2002, the French house became part of OTB. Along with sister brands of the group, Maison Margiela continues pushing the boundaries of modern fashion while preserving its distinctive identity and heritage
